THE TRUTH SOMETIMES NOT FOUND OUT UNTIL TOO LATE.

SUCH is often the case in regard to persons taking medicine. They are induced by plausible reasoning, false representation and doctrines, to employ medicines that, so far from being adapted to their medicines that, so far from being adapted to their disease or sickness, absolutely increase the symptoms, destroy the constitution, rack the whole system, and bring on a gradual decline, terminating in death; previous to the fatal termination, however, (but unfortunately two late,) the truth is found out that the pills, mixtures, &c. they have been taking the most neverful and dangerous. were composed of the most powerful and dangerous ingredients, prepared too by persons knowing nothing of disease or the nature of the medicines they recomof disease or the nature of the medicines they recom-mend, depending altogether upon the "general doc-trine of such imposters," that their medicines will "kill or cure." Be advised, then, if you find it ne-cessary to take some medicine for purifying the blood and cleansing the bowels, to take nothing but Dr. and cleansing the bowels, to take nothing but Dr. Leidy's justly and deservedly celebrted SARSAPARILLA BLOOD PILLS, the only pills containing Sarsaparilla in the their composition—the safest and best as well as the most effectual that can be taken. Old and young, at all times, without regard to weather, may take them without fear of taking cold, and without restraint from occurration or usual course.

and without restraint from occupation or usual cours of living. Upwards of 1,000 certificates have been published, various times, of their efficacy. More than 100,000 boxes have been sold in Philadelphia in twelve months. These facts go to prove their value, or so many never would be sold in so short a time in a place where they are manufactured; this, how Robert Hare, Dr. P. S. Physic, et T. C. James, Dr. W. P. Dewees, Dr. J. Redman Coxe, Rev. W. H.

Delancy, Robert Adrian, LLD., &c. &c.
Orders for Dr. Leidy's BLOOD PILLS are daily received from the North, South, East, and West and the most flattering accounts, from every direction, of their u-paralleled success. A single box (25 cents) their u-paralleled success. A single box (25 cents) may save as many dollars, if taken in time, instead of the dangerous medicine now forced on the public, and by taking which persons so often find it necessary at last to take Dr. Leidy's Blood Pills, to

counteract their injurious consequences.
They are "epared only, and sold Wholesale and Retal at Dr. Leidy's Health Emporium, No 191, North Second street, below Vine street, Philadelphia.

IT CANNOT BE DENIED. FOR truth is mighty, that Dr. Leidy's SARSAPA-RILLA is the purest, strongest, and most efficacious of any other preparation of Sarsaparilla that is made It is warranted to be stronger than six bottles of most others, stronger than four of some, and stronger than three of the strongest prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in preference to any other.
All who have ever used it have derived more benefit from one bottle than three to ten of others; and hose who, after having used other preparations with out benefit, will use Dr. Leidy's, will soon be con-vinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts used in his preparation of Sarsaparilla as prepared, is the only one in the United States, imported by Dr. Leidy himself, from the celebrated house of Pel. eter & Caventou, in Paris, at a great expense, and is ca puble of extracting the medicinal virtues of Sarsaparilia and other roots more effectually than by any

other process.

As several hundred certificates of remarkable As several numerical certificates of remarkable cures, and recommendations from clergymen and physicians have been from time to time published in different papers, it is only thought necessary to keep the public acquainted as to where Dr. Leidy's Saisaparilla can be be obtained genuine, namely, at , r Liedy's Health Emporium, 191 north Second street near vine street, (sign of the Golden Eagle and Ser-pents,) Fred. ADDRESS TO THE PEOPLE OF THE

ADDRESS TO THE PEOPLE OF THE
UNITED STATES.

In looking around upon mankind, the philanthropist I cannot but find too much to hament. The various ills to which his rice are subject, and which are daily and hourly hurrying thousands to the grave, and some, too, in the morning of life, when the hopes of purents and friends seemed budding into maturity, are sufficient to awaken the liveliest sympathesic of these whose hearts are not callous to every sympathesic feeling. When by the higgard look, the hurried breathings and the hollow cough of those with whom he has been in the habit of holding sweet intercourse, perhaps of his own blood relations, he seem the spark of his dimy glimmering or just ready to go out, how does his lenging de ites increase that the mind of man, omnipotent almost as it is, could devise some means, by which, under Providence, the consequences of these ills might be stayed; his better nature becomes excited, and he is stimulated to his task in view of the mighty results which may flow from his toils. Thus we see the market crowded with noatrums whose virtues, if the half of which were true, would cause Death itself to die and man become immorial.

In presenting the Panaces of the Dannellon and To Marto to the public, we would say that we do not claim for it, thatti shall be a specific for all the diseases to which the human frame is subject, but for all for which it is recommended. It has for its recommendation the sanction of the experience of the most distinguished and enlightened physicians on the globe.

The proprietors deem it unnecessary to state the cost to which they have been at, or care which has been taken to select, in the first place, the sext articles, and then device the means by which their whole strength may be given to the public. They ask for it only that meed of attention to which the sirk and suffering it in the community may deem it entitled. They are willing that its healing properties should be its only recommendation, and that the relief and health which is sure to c

A Really Good Article —Always annious to benefic our readers in every possible way, we would now recommend to their notice an article prepared by Ranson & Sieve say, Druggists, which is fully deserving of confidence and every way worthy to be relied on. We mean the Dandelion and I omato Parjacea. Compounded from nine of the best medicines produced in the vegetable kingdom; the Dandelion, Tomato, and Sarsaparitis forming the chief ingredients, which are well known and universally admitted to contain the most hearthful properties the science of medicine has yet discovered. We called at the store of these gentiemen ye terday and had the pleasure of perusing letters, some of which were from Physicians of the highest respectability, and others from gentlemen of undoubted integrity, all speaking in the nighest terms of the good effects of the medicine. They also hold in their possession, innumerable certificates from persons, some with whom we are acquainted, and in whose word we can place the fullest confidence of the wonderful cures performed by its use; such as Asthma, Eryspelas, Dyspepsia, Salt Rheum, Chronic Diseases, Rheumatism, scrotula, and for all impurities of the blood, and from our own knowledge and confidence in the gentlemen who prepare the medicine and the trial we have had of its virtues, we have no besitation in recommending it as one of the best alternatives and purifiers of the blo of now before the public. For anything in the apothecary line, we would recommend the store of these gentlemen, 325 Washington street, as inferior to none in this city; their high moral worth and strict integrity being sufficient guaranty to the public against any attempt at imposition.

In copying the above from the Mall, we are happy in being able to enderse every word of it, having tried the Dandelion and Tomato Pa, acce ourselves with the happenst effects. The proprietors are really deserving of patronage, and we are sure that success will crown their efforts. Give them a call at their store, Amory Hall buildings, 32 A REALLY GOOD ARTICLE -Always anxious to ben
